

Recreating Samples - audio samples replays and sound-a-like services including instrumentals, vocals, loops and full tracks re-recordings!

We have replayed and recreated almost 100 samples since 2005 for Dance, Pop and R&B for several artists, producers, dj's and music labels, both major and indie.

We are based in Uk with other affiliated studios working with us from Italy, Scotland and U.S.A.

All studios, musicians, producers and engineers are coordinated by **Fed Conti, founder of Recreating Samples and Mahjong Music Ltd**, musician, producer, dj and mastering engineer.

Our services include:

- sound-a-like vocals and acapellas including loops and full tracks.

- instrumentals replays including loops and full tracks containing real strings, guitars, keyboards, brass (sections and solos) vintage instruments, synthesizers, percussions, drums, electronic sounds and more ! We can replay and recreate full mixes or individual instruments only on request.

- sound-a-like music and recreated samples for Advertising, Tv / Movie Production and Videogames. Our samples appeared as featured music on **Abc Usa, Fox Usa, Mtv Uk** channels, on Tv series such

"The Castle", 20

th

Century Fox

movies such

"Mr Popper's Penguins"

and on videogames by

Atari

. We also have been collaborating with several European Advertising campaigns with agencies such

Leo Burnett, Armando Testa, Publicis.
